## COMMUNIQUÉ

**To:** AFRINIC MEMBERS

**From:** NomCom 2025

**Date:** 23 June 2025, 17:41 (MUT)

**Subject:** Election Suspension

The NomCom wishes Resource Members to be aware that on 23 June 2025, matters came to the attention of the NomCom necessitating the suspension of the election to permit further investigation.

In pursuance of our obligation under article 9.3(i)(b) of the AFRINIC Bylaws and powers under the 2025 Election Guidelines paragraphs 8.28, 8.29, and 8.33, the NomCom Chair suspended the election at 17:32 on 23 June 2025 (Mauritius Time) until further notice. Online and in-person voting are frozen as of that time and further directions will be issued in due course.

We appreciate this will be a matter of concern to the AFRINIC Membership and would ask that all Members refrain from speculation to allow proper time for the necessary enquiries to be carried out and the election process carried through to a successful conclusion.
